EDUCATION

Data Analyst - Specialisation Course

Masai School
July 2024-present

B.Tech in Computer Science

Techno India University
August 2020 - August 2024

TECHNICAL SKILLS

Python | MySQL | Power BI |
Pandas | NumPy | Statistics |
Matplotlib | Seaborn | Excel

SOFT SKILLS

Teamwork | Problem Solving |
Time Management

CERTIFICATIONS

Data Analytics Essentials 
Cisco Networking Academy
Certificate Of Excellence in
DBMS 
Coding Ninjas

ACHIEVEMENTS

Kaggle Notebook Expert 
Kaggle
Gained the "Notebook Expert" title
by publishing high-quality
notebooks.

Souvik Samanta

Data Analyst

PROFESSIONAL SUMMARY

Dynamic Data Analyst skilled in SQL and Python, leveraging data visualization tools like Tableau to drive business insights. Excel in translating complex data into actionable strategies, employing Generative AI for rapid technology adoption. Committed to advancing data-driven decision-making and strategic growth within cross-functional teams.

WORK EXPERIENCE

Finotive Group

Market Analyst & Proprietary Trader
October 2023 - June 2024

Job responsibilities:

- Analyzed market trends and price movements to support proprietary trading strategies, demonstrating strong analytical abilities and proficiency in data analysis tools.
- Generated reports and insights on market opportunities, helping facilitate data-driven decisions and providing actionable recommendations.

PROJECTS

1. Fast-Food Stocks Analysis - Power BI Dashboard

Python | MySQL | Power BI

- Cleaned data using pandas and connected to a MySQL database for preprocessing.
- Integrated Power BI with the SQL database to design an interactive dashboard.
- Visualized stock trends, trading volumes, and market comparisons.

2. India EV Market Analysis - Streamlit Dashboard

Python | CSS | Streamlit | Git

- Developed an interactive dashboard using Streamlit for real-time analysis of the EV market in India.
- Utilized Python and Pandas for data processing and wrangling.
- Analyzed consumer preferences and market dynamics using exploratory data analysis (EDA).
