WORK EXPERIENCE

La Four Gourmet Bakery (Seema Agro)

Operations Manager

December 2024 - February 2024

Job responsibilities:

- Led a team to boost efficiency, cutting costs by 10% and improving logistics for deliveries.

The Hazelnut Factory Food Products Pvt. Ltd.

Senior Procurement Manager

October 2019 - November 2021

Job responsibilities:

- Worked as a Senior Procurement Manager. My job was to deal with all purchase and procurement-related tasks which would be beneficial for the company's profit and availability of products.

PROJECTS

1. Behance Website Clone | |

JavaScript | Redux | React | Git | HTML5 | CSS3 |

Responsive Web Design

- Developed a user-friendly interface for job postings and applications using React and Redux, with profile management for easy application tracking. Utilized Git for collaborative development and created a responsive design for seamless user interactions across devices.

2. Reebok Website Clone | |

JavaScript | Git | HTML5 | CSS3 |

Responsive Web Design

- Collaborated on designing product catalog and search features using JavaScript, HTML5, and CSS3, while optimizing navigation for improved user interaction. Ensured cross-browser compatibility and responsive design, managing workflows with Git for seamless collaboration.

3. Watchcraft Watches (Inspired by Casio) | |

HTML5 | CSS3 | Responsive Web Design

- Recreated design elements inspired by the G-Shock website using HTML5 and CSS3, implementing responsive design for a seamless browsing experience. Enhanced user engagement with an interactive interface while ensuring high-quality code and a professional appearance.
