## Summary

A motivated Computer Science graduate with strong problem-solving, teamwork, and technical skills. Focused on securing a role in software engineering, especially in Java technologies, and eager to contribute to innovative projects.

---

## Education

### Bachelor of Technology in Computer Science

DY Patil College of Engineering and Technology, Kolhapur | 2024

Percentage: 8.8 CGPA

### Higher Secondary Certificate (HSC)

Sadhana Junior College of Science, Kolhapur | 2020

Percentage: 71.84%

### Secondary School Certificate (SSC)

Madilage High School, Madilage, Kolhapur | 2018

Percentage: 87.80%

---

## Skills

- **Programming Languages:** Java, Python, C, SQL
- **Web Development:** HTML, CSS, Bootstrap, JDBC, Django, RESTAPI
- **Frameworks & Tools:** Spring, Hibernate, Spring Boot, JIRA, WordPress, STS
- **Database Management:** MySQL
- **Machine Learning & AI:** Supervised & Unsupervised Learning, Data Visualization, Pandas, Numpy, RNN, CNN
- **Soft Skills:** Problem-Solving, Team Collaboration, Time Management

---

## Internship Experience

### **Technolite Info Solutions - Hinjewadi, Pune** (WordPress Web Developer | Jan 2024 - June 2024)

- Developed and maintained WordPress websites for various clients.
- Customized themes and plugins to meet project requirements.
- Ensured website performance, and responsiveness.

---

## Projects

### **Employee Management System**

- Managed employee records with CRUD operations.
- Used Spring Boot and Thymeleaf for UI and backend integration.

### **Airline Management System**

- Created an application to manage flight and customer details.
- Included features to add, view, and manage data efficiently.

### **Car Rental System**

- Developed a Java-based application for managing car rentals.
- Focused on implementing Object-Oriented Programming (OOP) concepts.
- Outcome: Streamlined rental management and improved efficiency.

### **Multimodal Sentiment Analysis**

- Developed a system to analyze sentiment using text, audio, and video.
- Outcome: Achieved high accuracy in sentiment detection across multiple modalities.

---

## Courses and Certifications

- **Full Stack Java Developer (Profound Edutech, Pune)-ongoing**
- **Introduction to Machine Learning – IIT Kharagpur (NPTEL)**
