Software Engineer with 2.3 years of experience in design, development, testing, maintenance, enhancement, and production support of business applications.

## WORK EXPERIENCE

### Software Engineer Zensar

09/2020 - Present

Pune, India

#### Project/Tasks

- Working on the Old Mutual portal that gives customers the ability to view general information, submit their claim details, upload supporting documents, view claim status, and edit an existing claim.
- Designed and developed Entity Framework Code-First approach with Repository-Pattern based backend and used RESTful and Web API as transaction and communication technology to the client-side.
- Designed and developed various abstract classes, interfaces, classes to construct the business logic using C#.NET

### Jr. Software Engineer Zensar

09/2019 - 09/2020

#### Project/Tasks

- Implemented convention-based CRUD actions like GET, POST, PUT and DELETE.
- Implemented LINQ Query operations like Grouping, Ordering, and Filtering operations to access database for the search of routes, drivers, and packages.
- Worked on the front-end of the web application using HTML5, CSS3, AJAX, Bootstrap.

### Project Trainee Zensar

06/2019 - 08/2020

Trained in technologies like C#, .Net Framework, ASP.NET MVC, Entity Framework, Web API, and Git with Visual Studio IDE.

#### Handles/Tasks

- Accomplished a .Net project using Entity Framework MVC.
- Passed the post-training certification exam of .Net conducted by RPG.

### Bachelor of Engineering in Computer Science and Engineering

Institute of Engineering & Science, IPS Academy

2015 - 2019

Score : 7.8 CGPA

### Senior Secondary School Certificate (10+2)

Marthoma Hr. Sec. School

2014 - 2015

Score : 72.6%

## SKILLS

C#

.Net Framework

ASP.Net MVC

ASP.NET Web API

Entity Framework

LINQ

JavaScript

Html

CSS

Git

## ACCOMPLISHMENTS

Appreciated by the client for showing dedication to solve many critical issues and sufficient understanding of business in a very short period of time.

Honored with awards like "Quarterly Award for Rising Star" and "Star Achiever" for the significant contribution during the course of various tracks in Old Mutual.

## PERSONAL PROJECTS

### Maa Shakti Super Mart

- <https://github.com/rajatverma491/Maa-Shakti-SuperMart>
- I developed this system for one supermarket store to manage their retail business.
- It keeps track of all the transactions and generates a bill for all the purchased goods.
- This system also generates barcodes and supports a barcode scanner.
- This Application is developed in ASP.Net MVC using Code first approach.

### E - Guide

- <https://github.com/rajatverma491/EGuide>
- It is an Affiliate Marketing website that guides users in buying electronic devices.
- This application has two different panels—one is for the admin and the other is for the end-user.
- This application is developed in ASP.Net MVC using the Code first approach.
