MEHAK KAZI

Human resources, Marketing

Profile

Currently pursuing a postgraduate degree in Banking and Finance, with a bachelor's in Management specializing in Human Resources and Marketing. Equipped with a strong analytical mindset and a blend of financial and people management skills, I am eager to apply my knowledge in HR or the finance sector. Adaptable, proactive, and ready to contribute to a dynamic organization.

Technical and professional skills

- MS Excel & MS Office – Proficient in data analysis, reporting, and automation using Excel functions, pivot tables, and VBA.
- Power BI – Skilled in data visualization, creating interactive dashboards, and deriving insights for decision-making.
- Communication Skills – Strong verbal and written communication abilities, adept at teamwork, presentations, and stakeholder engagement.

Extracurricular Activities

- Creative Department Sub-HoD in Buizzenture, a business fest – Led a team in designing and executing creative strategies for various events.
- Secured First Place in the Advertisement category at Buizzenture – Developed an innovative ad campaign that was recognized for its creativity and impact.
- NISM SEBI Investor Certification Examination – Secured 84%, conducted by SEBI & NISM.

Academic involvement

- Conducted research on the impact of business ethics and corporate social responsibility (CSR) on the growth of ITC Limited, analyzing how ethical practices and sustainability initiatives contribute to long-term business success.
- Explored the effectiveness of influencer marketing on consumer behavior and brand perception, studying how social media influencers shape purchasing decisions and influence brand credibility in the digital era.
