RESEARCH PAPER

Poultry Farming Using IOT Devices

7th International Joint Conference on Computing Sciences (IJCSCS-2023) "KILBY100" held on 5th May, 2023 organized by School of Computer Science and Engineering, LPU in association with Southern Federal University, Mizan Tepi University.

ORGANIZATIONS

Bharatpur Iqra Model School (08/2023 - Present)

Developing a web based software using front end and google firebase to fulfill the requirements of the school.

CERTIFICATES

Become a Full Stack Webdeveloper

this certification course is from LinkedIn Learning

Data Structure and Algorithms with C++

this certification course is from Code Tantra

C++ basic to advanced

this certification course is from Cipher School

Networking and Administration Fundamental

this certification course is from LinkedIn Learning

Master in SQL Development

this certification course is from LinkedIn Learning

Getting started with Network Administration

this certification course is from LinkedIn Learning

Become a Ethical Hacker

this certification course is from LinkedIn Learning

Explore Webdevelopment with Node.js

this certification course is from LinkedIn Learning

Introduction to Cyber Security Essentials

this certification course is from COURSERA

HTML ,CSS , Javascript for webdevelopers

this certification course is from COURSERA
