## Professional Experiences

---

### Praeclarum tech

Jan 2024-Feb 2024

*Software Developer*

#### HRMS .

- This project is regarding Employee Management System here we developed an, integrating login/logout tracking and functionalities for birthdays, attendance reports, leaves, and holidays. Utilised Asp.net MVC, WebApi, MySql, C#, JS for seamless operations.
- **Roles and responsibilities**
- Identified and resolved critical bugs to enhance project stability and functionality, resulting in a 40% decrease in system downtime and a 15% improvement in user satisfaction.
- Spearheaded cross-platform layout enhancements and usability testing initiatives, leading to a 30% improvement in user satisfaction scores and a 20% boost in conversion rates.

### Mphatek systems pvt Limited

Nov 2022 - Nov 2023

*Software Developer*

#### Project Title: Open Source National intelligence system (Onis)

- Developed and implemented a cutting-edge Social Media Application Tracking system to monitor and analyse real-time user activity on platforms including Facebook, Twitter, and Instagram, resulting in a 40% increase in user engagement metrics.
- Spearheaded the integration of ASP.NET, AngularJS, and MVC into existing systems, resulting in a 40% increase in application performance and a 25% reduction in page load times.
- **Roles and Responsibilities**
  - Developed innovative components using VS Code and seamlessly integrated APIs in Visual Studio, resulting in a 40% improvement in application performance and a 25% reduction in load times.
  - discuss with the team about the project development phases and requirements, finding the bugs in the entire project and fixing it one by one.
  - Directed the assignment of project responsibilities to a collaborative partner, aligning tasks with project objectives and timelines; monitored partner progress daily to ensure timely completion and quality deliverables.

#### Project Title: SAGRA.

- In this project, I led the development effort to showcase military camps globally through interactive maps, providing comprehensive information about deployed missiles at each location, and enabling users to save relevant news reports.
- we used skills ASP.NET MVC, MySQL, C#, and Web API,
- **Roles and responsibilities**
  - identified and documented bugs across all project modules, demonstrating a keen eye for detail and thoroughness. Subsequently, I adeptly resolved each issue, ensuring the project's stability and functionality were optimised.
  - Led the successful integration of cutting-edge modules, rigorously tested for 100% data accuracy; streamlined processes, reducing processing time by 30% and significantly enhancing project scalability and performance.

### Codeleaper systems pvt ltd

Dec 2021-jan 2022

*software developer intern*

#### Project Title: MakeMyDabba

- In this project, development of an Online Food Ordering system, facilitating seamless food delivery from various resorts within our vicinity.
- Users were provided with multiple payment options, including online card payments, Paytm, as well as Cash on Delivery

(COD). Leveraging a tech stack comprising VS Code, MySQL, HTML, and CSS, we engineered a user-friendly platform to enhance the food ordering experience."

- **Roles and Responsibilities**

- In this project, I took charge of front-end development, crafting the code for various modules and establishing backend connection strings.
- I also resolved bugs, swiftly addressing any issues encountered within the project to ensure smooth functionality and optimal user experience.

---

## Technical Skills

---

- **Computer Language:**C#, MySQL, HTML, CSS, C
- **Frameworks / Libraries:**Asp.Net MVC, Asp.Net web form .
- **Additional Courses:** Data Structure and Algorithms, System Design, OOPs
- **Tools & Technologies:** VS code,VS studio, Selenium, Eclipse IDE, Postman.

---

## Soft Skills

---

- Creativity
- Adaptability
- Teamwork

---

## Education

---

Year	Degree	Institution/ Board	CGPA/Percentage
2021	B. Tech	Dr. Babasaheb Ambedkar Technological University	7.89 CGPA
2016	12th	Pre University board of Karnataka,Bengaluru	64.00%
2014	10th	Maharashtra State Board of Secondary & Higher Secondary Education, Pune	83.20%

---

## Achievements and Co-Curricular Activities

---

- Completed Knowledge transfer to 5+ employees in Mphatek systems pvt ltd
- Expert coder certification in college annual competitions in C , Cpp
- Completed 1 months internship in codeleaper IT solutions pvt ltd
