## EDUCATION

### Computer Science, B.Tech

Prestige Institute of Engineering Management And Research  
August 2017 - July 2021

## SDET

Masai  
December 2023-present

## TECHNICAL SKILLS

Automation Testing |  
Postman Api | Testng | Junit |  
Selenium | java | JavaScript |  
CSS3 | HTML5 | Manual Testing

## SOFT SKILLS

Attention to Detail |  
Problem Solving

# Jay Singh Narvariya

## SDET/QA

### PROFESSIONAL SUMMARY

Results-driven SDET/QA with expertise in manual testing, automation testing, API testing algorithmic analysis, and testing methodologies. Skilled in designing and executing test scenarios to uncover software issues. Exceptional problem-solving and documentation abilities, coupled with a collaborative mindset to effectively communicate issues and work in a team environment.

### WORK EXPERIENCE

#### Zehntech Company

software intern | August 2021 - February 2022

#### Job responsibilities:

- Acquired strong skills in HTML, CSS, JavaScript, and Bootstrap during internship at Zehntech Company.
