EDUCATION

• Jaypee University of Engineering and Technology, Guna

2024

Bachelors of Technology in Computer Science and Engineering

CGPA: 8.1

EXPERIENCE

• Code Clause

April 2023

App Development Intern

Online

- Developed and maintained Android applications as part of an internship program.
- Collaborated with a team of developers to design and implement new features for Android application.

• Oasis Infobyte

may 2023

Web Development and Design

Online

- Completion of certain tasks assigned by the mentors.
- Working on the designing and developing skills of the task.

• Technocolabs Softwares

June-aug 2023

Data Analyst Intern

- Throughout our internship, I actively contributed to the analysis and interpretation of complex datasets.
- my role encompassed a blend of technical proficiency, critical thinking, and effective communication skills.
- my tenure as a Data Analyst Intern was marked by a dedication to learning, a commitment to precision, and an enthusiasm for transforming data into meaningful narratives.

PERSONAL PROJECTS

• Homepage of Netflix

Watch Netflix movies & TV shows online or stream right to your smart TV, game console, PC, Mac, mobile, tablet and more.
