## Education

**Software development engineer in Test**  
Masai School

**Bachelor of Technology Computer Science**  
Sanskriti School of Engineering  
June 2017 - July 2021

## Technical Skills

cypress API Java  
Postman Selenium SDLC  
Manual testing

## Soft Skills

Problem Solving  
Adaptability  
Time Management

## Certifications

**construct\_week\_project** 🔗  
Masai School

# Geetha Chirathala

## Professional Summary

Proficient and detail-oriented SDET/QA expert with a strong command of automation testing and algorithm analysis. Skilled in Python, effective issue reporting, and collaborative problem-solving. Adopt in leveraging Generative AI and quickly mastering new technologies to enhance software reliability.

## Projects

### Cypress Automation for Tutorials Ninja Search Functionality

[Github](#)  
[Repo Link](#)

#### Cypress

- Automated and optimized testing for search functionality using Cypress, emphasizing user interaction accuracy.
- Implemented robust assertions and validations to confirm accurate functional performance.
- Integrated failure-based screenshot captures to enhance bug documentation and debugging processes.
