### Professional Summary

As a Software Developer via profession and having 2.4 years of specialized experience in CAD customization and web development using C# .NET technologies. Looking forward to work in an organization with innovative and technically challenged projects which helps me to achieve personal as well as organizational goals.

### Areas of Expertise

Operating Systems	Windows10
Languages	C#, OOPs, SQL server, JavaScript, Html, CSS, Bootstrap
APIs	Autodesk Inventor, APS, Web API
Frameworks	.NET, ASP.net, Entity framework, LINQ
CAD Software	Inventor
Cloud Tools	<b>Autodesk platform services (Forge cloud)</b>
Key Skills	IIS server, Visual studio, Postman tool, Design Automation.
Soft Skills	Problem Solving, Adaptability, Time management & Team building activity.

### Highest Education

**PG\_e-DAC (Center for Development of advanced Computing)**

May 2021

**M.Sc (Computer Science)**

 Tuljharam Chaturchandha College ,Baramati ( SPPU University)

9.8/10

2018 to 2020

### Professional Experience

**Jr. Software Developer**

2.4 YearsofExp

**Neil soft Private Limited**

Pune, India

- ❖ Developed and maintained C# applications leveraging .NET framework, ASP.NET, and Entity Framework for web application.
- ❖ Leveraged Autodesk Forge platform services for cloud-based design automation, enhancing collaboration and accessibility of CAD software functionalities.
- ❖ Utilized SQL Server for database management, including database design, querying, and optimization.
- ❖ Collaborated with cross-functional teams to analyze requirements, design solutions, and deliver high-quality software products within specified timelines.
- ❖ Deployed and managed applications on IIS server, ensuring smooth operation and optimal performance.
- ❖ Conducted testing and debugging using Visual Studio IDE and Postman tool to ensure software quality and reliability.
- ❖ Exhibited adaptability in learning and implementing new technologies and frameworks as per project requirements.
- ❖ Demonstrated effective time management skills to meet project deadlines and prioritize tasks effectively.
