Objective

Results-driven finance professional with 1.9 years of experience in banking and financial management. Seeking to utilize expertise in financial analysis, risk assessment, and investment strategies to drive business growth and optimize financial performance.

Experience

Finance Assistant: - Accor Invest Group London (March 2023 – Jan2025)

- Managed purchase ledger operations, including invoice processing, authorizations, and statement reconciliations, ensuring accurate records.
- Performed daily bank reconciliations for GBP, EURO, and USD accounts, supporting multi-currency transactions and month-end tasks.
- Prepared quarterly VAT returns, ensuring compliance with tax regulations.
- Monitored fund and equity investments, tracking inflows, outflows, valuations, and risk ratings with accuracy.
- Collaborated with finance team members to review financial data, forecasts, and reporting management.

Trainee Analyst Intern: - CA Pradeep Bhor Financial Consultant Pune India (Oct 2019 – March 2020)

- Developed expertise in financial consulting and analysis through hands-on internship tasks.
- Collaborated with auditors, providing documentation and explanations to support engagements.
- Conducted routine audits and maintained an updated internal financial database.
- Assisted senior management with monthly reports, consolidating data, performing variance analysis, and creating visual charts for executive meetings.
