OBJECTIVE

Motivated BCA student with expertise in cloud computing, AWS services, and web development. Passionate about building scalable solutions, automating infrastructure, and solving complex problems through technology.

SKILLS

- **Technical Skills:** AWS (Bedrock, Lambda, S3, API Gateway, EC2), HTML, CSS, JavaScript, Core Java, Core Python, Responsive Design, API Integrations, Database Concepts.
- **Behavioral Skills:** Leadership, Collaboration, Problem-Solving, Adaptability, Communication, Analytical Thinking, Time Management.

EDUCATION

- **Bachelor Of Computer Applications** | Aditya Degree College | GPA: 9.2 | 2022 - 2025
- **Intermediate (BIPC)** | Sri Chaitanya Junior College | Percentage: 95.4 | 2020 - 2022
- **High School** | Sri Chaitanya Techno School | Percentage: 94 | 2020

PROJECTS

AWS-Powered Generative AI Blog Engine

- Developed a serverless content generation system utilizing AWS Bedrock and Lambda.
- Integrated API Gateway for secure communication and S3 for scalable content storage.
- Leveraged Generative AI with AWS Bedrock to automate content generation, reducing manual effort and improving efficiency.

Career Forge

- Designed a career guidance platform using HTML and CSS, winning 2nd prize at a college event.
- Enhanced user engagement through responsive and user-friendly designs.

CERTIFICATIONS

AWS Certified Cloud Practitioner | Oracle Java Foundation Certificate | Oracle Database Foundations Certificate | Cloud Computing Certificate (AcmeGrade) | Cisco C Certificate | Redhat Certification | Communication Skills (MeProPearson) | Introduction to AI Infosys | AI basics Simplilearn

ACHIEVEMENTS

- Secured 2nd prize in state-level coding competition (Technophilia).
- Achieved 3rd place in a competitive state-level coding contest among [number] participants, showcasing problem-solving and algorithmic skills.
- Recognized for developing a career guidance platform in a college event.

LANGUAGES AND HOBBIES

- **Languages :** English, Telugu, Hindi, Japanese(Beginner)
- **Hobbies :** Exploring emerging technologies | Participating in hackathons
