## Education

**Web Development Course**  
Masai School  
January 2025-present

**Computer Science(BE)**  
Chitkara university  
July 2021 - July 2025

## Technical Skills

Responsive Web Design

CSS3 HTML5

RESTful APIs MongoDB

Express.js Node.js Git

React JavaScript

## Certifications

**Web Development Certificates**   
*Coursera and Infosys*  
learn about web development

**ADS CERTIFICATES**   
*Coursera and infosys*  
learn about Data structures

# Tushar Sachdeva

## Full Stack Web Developer

## Professional Summary

Dynamic Full Stack Web Developer skilled in JavaScript and the MERN stack, with a strong foundation in HTML, CSS, and RESTful API design. Excellent problem-solving and collaborative abilities, with the capability to leverage Generative AI and rapidly adopt new technologies for project success.

## Projects

### EXPENSIFY [Github Repo Link](#)

JavaScript React Git Node.js Express.js

MongoDB RESTful APIs CSS3

Responsive Web Design HTML5

- Collaborated with designers to create a responsive and user-friendly interface using React.js for seamless expense tracking.
- Designed and developed efficient server-side APIs using Node.js and Express.js to manage expense data.
- Implemented real-time updates and secure data storage with MongoDB, enhancing performance and user experience.
- Ensured seamless integration between frontend components and the backend, providing stability and functionality.
- Conducted extensive testing and debugging to maintain the application's reliability and resolve any issues encountered.

### CAREER LINK [Github Repo Link](#)

JavaScript React Git Node.js Express.js

MongoDB HTML5 CSS3

Responsive Web Design RESTful APIs

- Developed a Job portal website using ReactJs, Expressjs , MongoDB with fully authenticated.
- Implemented two user roles: job posters for creating and managing job listings.
- Job seekers for browsing positions and submitting applications, with a responsive UI supporting job browsing, application submission, and listing management.
