

Jai Hind sir,

I am a veteran from Indian Army and looking job. I have served in Indian Army EME br as a mechanic,as a supervisor and also as a security supervisor. I am a Diploma holder in automobile engineering. I have 30 years long experience of maintenance, repair and servicing of the heavy vehicles, eng and hydraulic equipments like stripping assembling and many more in different difficult situation. I think, can do better because of my an experience and having patience, dedication, concentration and quality work performance.That's why I am interested for this job.

Thank you sir.

Binod kumar
