## EXPERIENCE

*2023-Present*

### **Hindi Teacher and Translator**

In this position, I worked with Americans who wanted to learn Hindi. I taught them from beginner level to intermediate. I also got many opportunities to translate a variety of documents for them.

*2021-2023*

### **Bela Public School, Rosy Child School**

In these positions, I taught 10th class children English and English literature. I enjoyed this position because it allowed me to research more into my passion of literature and convey the meanings of the stories to the children.
