Education

SDET
Masai
July 2024-present
BCA - Computer applications
Thiruvalluvar University
July 2018 - May 2021

Technical Skills

Postman Manual Testing
JavaScript Cypress Java
Selenium

Soft Skills

Teamwork
Time Management
Effective Communication

Certifications

MSM&MRM
Masai

Vasanthakumar G

Professional Summary

Adaptable Software Development Engineer in Test skilled in Python, testing methodologies, and algorithm error identification. Demonstrates strong problem-solving, collaborative mindset, and detailed documentation skills. Proficient in leveraging Generative AI and rapidly learning new technologies to enhance software quality and reliability.

Projects

ACME Manual Testing [Github Repo Link](#)

MS Word Excel Git

- Designed and executed manual test scenarios to validate ACME website functionality, ensuring it met specified requirements.
- Collaborated with the development team to understand website features and requirements for effective testing.
- Documented and reported identified issues with detailed reproduction steps for seamless communication.
- Worked closely with developers to ensure timely resolution of reported bugs and issues.

Quality_Sentinels [Github Repo Link](#)

JavaScript Cypress Git

- Automated end-to-end testing of the 'Add Points' functionality on a user account page, covering various scenarios.
- Handled invalid input cases and verified appropriate error messages through automated test cases.
- Ensured UI consistency by verifying the visual update of the points balance after each addition.
- Automated the login process successfully, ensuring correct redirection to the user dashboard.
