- Problem Solving
- Effective Communication
- Adaptability

Khushi Choudhary

Full Stack Web Developer

Professional Summary

A recent graduate from Ambedkar University Delhi (2024) with a strong foundation in Global Studies and a keen interest in technology. I have completed a comprehensive Full Stack Development course at Masai School, where I honed my skills in Python, MySQL, MongoDB, HTML, CSS, and JavaScript. My training also included refining my technical communication abilities, essential for collaborative development environments. I have successfully worked on two frontend projects, showcasing my ability to translate complex requirements into functional and user-friendly designs. I am eager to leverage my diverse skill set and passion for technology in a dynamic and growth-oriented role.
