EDUCATIONAL QUALIFICATION

Standard	Specialization	University/ Board	College/ School	Year	Aggregate
BE	Computer Science Engineering	DR.BAMU	Nagnathappa Halge College of Engg, Parli	2009-13	66%
HSC	Maths,Physics &Chemistry	MSBTE	Shivaji College, Killari	2008-09	75%
SSC	-	MSBTE	Maharashtra Vidyalay, Killari	2006-07	77%

CERTIFICATIONS/ACHIEVEMENTS

- Diploma in Software Testing (Manual and Automation)
- Received appreciation from Client for quality and speedy deliverables.

- Annual Awarded for the Best Performer in the year of 2021

TECHNICAL EXPERTISE

- Programming Languages : COBOL,SQL, DB2, Linux, Core Java
- Functional Testing Tools :Selenium WebDriver
- Frameworks :TestNG and Page Object and Keyword Framework
- Operating System :Windows, Unix, Linux

WORK EXPERIENCE DETAILS

Project 1 : Jrk Infotech Pvt Ltd   March 2023 – Aug - 2024

Domain : Banking
Programming Languages : COBOL, SQL,DB2, Linux
Responsiblities:
• Gathering the client requirement and providing technical inputs for developing
     Codes.
• Actively participation for client requirement
• Effectively interacting with team members
• Approach designing for every development and deployment
• Proficiency in Debugging and Code Review.
• Effectively active in Problem Solving, Goal Management, Performance Review

Project 2 : Exl Services Pvt Ltd   Apr 2021 – Feb 2023

Domain : Life Insurance, United State
Programming Languages :Core Java, SQL
Functional Testing Tools :Selenium WebDriver
Methodologies :Agile
Responsiblities:
• Involvement in the preparation of Test Procedures, Test Scenarios, Test Cases and data
• Involvement in the test execution result Analyzing and defect reporting
• Responsible for interacting with Team members and client, in daily SCRUM meeting
• Effectively communicate project expectations, project goals and scope to the team

Project 3 : Exl Services Pvt Ltd   Apr 2019 - Apr 2021

Domain : Property Insurance, Australia
Programming Languages :Core Java, SQL
Functional Testing Tools :Selenium WebDriver
Methodologies :Agile
Responsiblities:
• Prepared and executed Test Cases as per System Requirements and User Stories
• Implemented different automation frameworks like POM, TestNG
• Performed defect tracking and management in JIRA
• Involved in all levels of Agile starting from test planning to retrospective

meeting

PERSONAL DETAILS

- Present Address   :Madhav Nivas, Karvenagar, Pune - 411062
- Permanent Address : Ranjangaon Mashid, Tq. Parner, Dist. Ahmadnagar - 413703
- Language known   : English, Hindi, Marathi.
