Yellow Owl

🪪 PROFESSIONAL SUMMARY

Dynamic and innovative Full Stack Web Developer with expertise in the MERN stack, skilled in JavaScript, and adept at creating scalable web applications. Possesses strong problem-solving abilities and a quick aptitude for learning new technologies, including Generative AI. Committed to enhancing development workflows and software quality.

🛍️ WORK EXPERIENCE

Yellow Owl
Software Engineer Intern
January 2025 – February 2025
Job responsibilities:

- Gained proficiency in Strapi, an open-source CMS, improving backend development skills.
- Debugged several backend endpoints, strengthening understanding of backend systems.

🖥️ PROJECTS

1. Boat Lifestyle | ⊕ | 🌐
React | tailwindcss | Node.js | MongoDB | Express.js | Razorpay | jwt | Git

- Developed a scalable web application using the MERN stack to manage and showcase boat lifestyle products.
- Designed efficient server-side APIs with Node.js and Express.js, supporting seamless integration with MongoDB.
- Incorporated payment gateway integration using Razorpay for secure and reliable transactions.

2. Canva | ⊕ | 🌐
React | Node.js | Express.js | MongoDB | Tailwind Css | GoogleAuth | localstorage | Open Ai

- Developed a scalable web application using the MERN stack to allow users to create and manage designs.
- Designed and developed efficient server-side APIs with Node.js and Express.js to manage authentication and design features.
- Leveraged Google Auth for robust user authentication and authorization, ensuring secure access to the platform.

3. Sephora | ⊕ | 🌐
JavaScript | React | Git | Responsive Web Design | Tailwind Css | Chakra UI | Local Storage | Css

- Developed a responsive user interface using React.js and Tailwind CSS to enhance user experience.
- Created a user login functionality with secure authentication to ensure user privacy.
- Designed and applied 'Add to cart' feature with item removal capability for better shopping experience.
- Utilized local storage to store user data for seamless shopping sessions across visits.
