DARSHANA **KHEDKAR**

Pune · +91 · 8799971007
khedkar440@gmail.com

Dynamic and motivated BTech graduate in Computer Science seeking an entry-level position in Information Technology. Passionate about containerization, Java, database design, and orchestration, with a commitment to contributing to a forward-thinking company and leveraging the latest
technologies to drive innovation and growth.

INTERNSHIP

JAN 2024 – MAY 2024
WEB DEVELOPER, COGNIFRONT

- Developed an Online Table Booking System for restaurants, leveraging HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL.
- Demonstrated strong problem-solving skills in resolving complex technical issues and implementing innovative solutions to meet project requirements.
- Engaged in professional development opportunities, including workshops and online courses, to enhance skills in web development, database management, and project management.

ACADEMIC PROJECTS

AUG 2023 – DEC 2023
COLLEGE PLACEMENT PORTAL

- Developed a comprehensive placement portal featuring personal student profiles, skill management, employer information, and placement tracking.
- Utilized Java, MySQL, and PHP for backend development.

FEB 2023 – JULY 2023
ANDROID HEALTHCARE APP (HEALTH ON TIPS)

- Designed and implemented an Android healthcare application using Android Studio.
- Enhanced personal health management through mobile technology integration.

AUG 2022 – JAN 2023
E-COMMERCE NURSERY WEBSITE (PLANT NURSERY)

- Led the development of an online plant nursery store with intuitive navigation, secure transactions, Wishlist, and order history functionalities.
- Leveraged HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL.

FEB 2022 – JULY 2022
GROCERY STORE APPLICATION

- Designed database schema and developed backend functionality for product management using SQL.
- Implemented features for product listing, addition, deletion, and inventory management for a grocery store application.

2019 - 2020
HSC, ACHARYA G.R. GARUD MADHYAMIK VIDYALAYA & JR. COLLEGE SHENDURNI

TECHNICAL SKILLS

- Java
- SQL
- Docker/ Containers
- HTML
- JavaScript
- PHP
- DevOps
- CI/CD
- Python
- MySQL
- RHCSA
- CSS
- Bootstrap
- Oracle
- Kubernetes
- Git

SOFT SKILLS

- Time Management
- Adaptability
- Communication
- Project Management
- Problem Solving
- Teamwork

CERTIFICATES

- Full Stack Web Development
- Database Design from Oracle Academy
- Python Programming
- Java Foundation Course from Oracle Academy
- DO188 (Red Hat Certified Specialist in Container)
- RHCSA (Red Hat Certified System Administrator)
