Academic Project

Title
E-Ticketing System for public bus transport using QR Code

Project Details
The proposed system includes two Android apps , one for user and other for ticket checker and one web for admin. User app will have some features like search , track buses ,view user history, E-Wallet system. When user books a ticket, a QR code will be generated which can be scanned by ticket checker's app. Web app will provide useful insights to admin which can help him to improve the customers travel experience.

Languages Used
Java and MySQL

Tools
Android Studio, Eclipse

Certifications

Robotic Process Automation(RPA) using UIPATH by Rahul Shetty completed in April 2020. (https://www.udemy.com/certificate/UC-23bceb8e-e770-44da-8ddd-93433da26224/)

Selenium Python Automation Testing from Scratch + Frameworks by Rahul Shetty

Activities

- Attended Seminar on Software Development and Testing
- Was Member of College Football Team
