PROFILE

PROJECT

ReactJS, Spring Boot, MySQL

Vehicle Service Management System   **Feb 2023 - Present**

- The main objective of the project is to design, develop and implement a system that will automate daily operations and transactions in a vehicle service garage.
- To develop a system that will allow all-in-one management of vehicle service transactions.To develop a platform where customers inquire about vehicle services.To eliminate paper works and manual workloads of vehicle garage administrators.
- To store vehicle service records in a centralized database.To develop a system that is efficient,simplifed, automate and reliable to use for management.To evaluate the system in terms of user acceptability, effectiveness, quality, productivity, and reliability.The proposed system will increase business efficiency and overall customer satisfaction in availing vehicle servicing.

C#, MySql, MS.NET Framework, ASP.NET

My Shoe World

- "My Shoe World" is an e-commerce website which offers a wide selection of shoes for online purchase. Users can browse, search, and filter shoes, add them to the cart, and securely complete the checkout process. The website includes customer reviews, ratings, and an admin panel for managing products, orders, and user accounts. It provides a seamless shopping experience with a robust architecture for performance and security.

WORK HISTORY

Indo German Tool Room, Aurangabad   **May 2021 -June 2022**

Internship

- How 3D Printing and Different types of Press machines Work, Learned and Adequate Knowledge about the machines.

CERTIFICATE

- Accenture North America-Development & Advanced Engineering Virtual Experience
- Cognizant USA-Agile Methodology Virtual Experience Program
- Sunbeam-Preparatory Course For Entrance Exam
- Deloitte Australia-Technology Virtual Experience Program
- HackerRank-SQL(Intermediate)

EDUCATION HISTORY

Post Graduate Diploma in Advanced Computing   **Sept 2022 -March 2023**

Infoway, CDAC, Pune

- Acquired sound knowledge in MySQL, PL-SQL,OOP with JAVA, Advance JAVA, Data Structures with Java, React JS with HTML,CSS & Bootstrap. Also familiar with Basic knowledge in DevOps tools like GitHub, Jenkins & Docker.

PGDTD&CC   **Jul 2019 -Nov 2021**

Indo German Tool Room, Aurangabad

- Acquire Knowledge in Creo,Catia,Solidworks,Ansys,Autocad,3D Printing.How Different types of Press machines Work, Learned and Adequate Knowledge about the machines.

B.E in Mechanical Engineereing   **Sept 2015 -July 2019**

North Maharashtra University, Jalgaon

- Worked as Project Leader on project entitled 'DESIGN OF PRESS TOOL'.
