Central Board Of Secondary Examination(**CGPA** – 9/10.0)	*Muzaffarpur, Bihar*

EXPERIENCE

Freelancing | Upwork *(May 2024 – Present)*
- **Designed** and **developed** a full-featured e-commerce store and content management system **(CMS)** for the store, enhancing online retailoperations.
- **Implemented** the application using the **MERN** stack (**MongoDB**, **Express.js**, **React**, **Node.js**), ensuring a seamless and efficientdevelopment process.
- **Deployed** and **managed** the application on a **VPS serve**r, optimizing performance and reliability for the clit.

Web Developer| Dabotics India *(Sep 2023 – Feb 2024 · 6 months · Remote)*
- Developed and maintained web applications using React.js, Express.js, and Tailwind CSS.
- Worked with +**6 technologies**, including Node.js, MongoDB, Redux, and Next.js.
- Implemented responsive UI components, optimized performance, and improved user experience.

SKILLS AND INTERESTS

- **Languages**: C++, JavaScript, SQL, Python, TypeScript.
- **Technologies and Libraries**: HTML, CSS, ReactJS, NodeJs, NextJS, MongoDB, MySQL, ExpressJS, API Building and Testing, firebase, Appwrite, Tailwindcss, Git, Github, Postman.
- **Relevant Courses:** Data Structures, Algorithms , OOPS, DBMS, Operating System, Networking, Full Stack Development, Backend Services , OpenAPI, AI Tools – Gemini, ChatGPT, etc .
- **Areas of Interest**: Full Stack Web Development, Back-end Development, Micro-Service , DevOps, Ai Model Integrations.

PROJECTS

Aflaatoon Spices Store | Online Marketplace
- Developed AflaatoonSpices.com, an online marketplace for spices and grocery products.
- Designed a user-friendly shopping experience with seamless navigation and an intuitive UI.
- Implemented a shopping cart and side bag for quick access to selected items.
- Integrated secure Google login for easy account management.
- Optimized the checkout process for a smooth and efficient transaction experience.

TechTrail | E-Learning Platform
- Built TechTrail, an **e**-learning platform that provides a wide range of tech courses for students and professionals..
- Utilized Next.js for a fast and scalable front-end experience.
- Integrated Prisma for efficient and scalable database management.
- Designed an intuitive UI/UX to enhance the learning journey and engagement.

Aflaatoon Admin Dashboard
- Developed a comprehensive admin dashboard using Node.js, Express, React, Redux, and Tailwind CSS**.**
- Implemented product management features, enabling admins to add, update, and remove inventory items.
- Integrated order management tools for tracking and overseeing customer purchases.
- Designed a featured products section to highlight selected items for better visibility.

CERTIFICATIONS

Data Mining   NPTEL-2022
- Fundamentals of all Data Mining techniques and optimizations

Modern React with Redux   Udemy
- Learned about React and fundamentals of Redux.
- Gained hands-on experience with Redux workflows and best practices.
